Sir,

I can confirm:

- We effected a discussion with the affected PoJ Commanders and partner agencies in regards to the planned Deliberate Action event(s)
- It was emphasized by all affected partners that kinetic and Deliberate Action Plans, while potentially viable in the future, were not at this time.
- This was communicated to the PoJ most senior command that the partner agencies were of this estimation.
- As a result, PoJ senior Command relayed that all Deliberate Action Plans are being held in abeyance.
- This to be in effect with **no/no tactical activity no-earlier-than Tuesday Feb 15, 0600**

Integrated Plan

As a result:

I have been in Contact with the RCMP component of the IPU and they are developing a scalable plan with affected partners to include:

- A Police Liaison Team(PLT) approach to de-escalate/negotiate a resolution,
- Kinetic enforcement
- Deliberate Action Plan(s)

This requested to be completed with a DD of 16:00, Thursday February 11.

Mike
